## Take YOUR Place in History

RCCHS volunteer Helen Mordecai leads a school group through the Lincoln-Tallman House.

The Rock County Historical Society depends on a growing community of volunteers to help preserve the history and culture of Rock County through exhibits, educational programming, and special events.

*It's a privilege to be a part of RCCHS. Not many teens are given that opportunity.*  
--Meredith Kersten, Craig High School, Class of 2002

*Frances Willard School was cool. Thank you for teaching us about what they did at school in the old days ...*  
--Dylan Callas, third grade, Clinton Elementary
